

RUGGED ROOFING SYSTEM

THE SOLUTION TO ALL OF
YOUR ROOFING NEEDS
IN ONE PLACE.

RUGGED COATINGS

THE BEST OF BOTH WORLDS AT RUGGED COATINGS

Experience the world-class spray foam and roof coating system engineered to work together. Give your roofs the best protection in the market with our exclusive integrated products.

You deserve to work with one manufacturer capable of providing you a unified roofing system that binds with iron-clad strength and withstands the test of time.

Get Rugged Coatings roof coatings paired with the world-class spray foam technology created by our sister company, Accufoam, when you work with our Rugged Roofing System.

PUTTING HARD-WORKING CONTRACTORS & DISTRIBUTORS FIRST

Rugged Coatings was born from experienced, dedicated contractors who understand the effort you put into each and every job.

Our industry-best customer service team will answer the phone when you call. As an independent provider and local manufacturer, Rugged Coatings is large enough to have all the resources you need, but small enough to give you the attention you need.

Get your products when you need them, and always finish your projects on time and on budget with the team at Rugged Coatings.

FAULTY PRODUCTS HAVE NO PLACE ON YOUR JOB SITE

Contractors (and therefore distributors) need a set of reliable products for roofing that work well with each other and adhere reliably whether it's cold or hot, humid or dry.

By investing in a solid roof coating like ours at Rugged Coatings, you're not simply paying for a product: you're investing in yourself with a team that supports you. Put your trust in a unified roofing system that gets the job done right, and on the first time.

PUT YOUR TRUST IN RUGGED COATINGS.
